Greetings from the President of the National Association of PeriAnesthesia Nurses of Canada

PRESIDENT's ADDRESS CONTINUED

Hello again Fellow PeriAnesthesia Nursing Colleagues!

Best wishes for this New Year, 2011! May it bring prosperity (perhaps a lotto winning) and health to us all!

I hope that you had a wonderful and restful holiday season and you were able to spend some time to recharge your batteries and visit with your families.

Well, the winter season is upon us, with winter storms arising across the country. We do hope our colleagues in regions that have been hit by storms stay safe and warm. Both the west and east coasts have been hit with some serious weather fronts, but word is that everyone has come through these without mishap (except power outages).

The Board and Executive of NAPANc (see complete list of these volunteers at: www.napanc.org) continue to work to promote PeriAnesthesia Nursing to colleagues, organizations and other professional associations. In the last newsletter, I spoke about the milestones that NAPANc has met over the past years and more recently during this past year. Let me now bring you up to date on these, and all of the latest news. Here is an itemized list of activities that are continuing within NAPANc:

1. **Certification:** The Canadian Nurses Association (CNA) has approved our proposal for Certification for designation of PeriAnesthesia Nursing as a nursing specialty. Due to changes within the CNA, our work will not begin until the fall of 2011. However, confirmation has been received from the CNA, and also instructions for the approximately 50 PeriAnesthesia Nurses who have offered their time and talent to develop the Certification Examination. They will begin their work this fall and continue over the next 1.5 to 2 years. We should see our very own Certification Examination by 2013, so please continue to watch our website for updates in the process as we proceed.
2. **International Conference for PeriAnesthesia Nurses (ICPAN).** Four international associations (Canada, USA, UK, and Ireland) have combined efforts to bring to you the very first International Conference for our specialty. Canada has been chosen as the first host country and Toronto, Ontario as the host city! The date: **October 3-6, 2011. Please watch www.icpan.info for further information!**
3. Our **10th National Conference (NAPANc)** and will also be held in conjunction with the International Conference, in Toronto, Ontario on **October 2, 2011**. Plan on attending both! Canadian delegates who attend both the National and International will receive a reduced discounted price for the International Conference. Watch www.opana.org / www.napanc.org / www.icpan.info for updates on these conferences.
4. **PeriAnesthesia Nurses Week: February 7-11, 2011:** Watch www.napanc.org for information regarding various regional celebrations. If you can only celebrate for one day, make it Wednesday, **February 9, 2011:** official **PeriAnesthesia Nurses' Day!** And congratulations to all of you on your excellence in patient care! Send us photos and articles about your celebrations for publishing on our website!

Recent Events:

1. **PANGS (Saskatchewan):** Held their conference on September 25, 2010 in Regina, Saskatchewan. I attended this amazing event, and spoke to the audience about upcoming NAPANc events: Certification, International Conference, and new Practice Standards (2nd ed). Find out more at www.napanc.org.
2. **OPANA (Ontario):** Held their “Inspirations” Conference and 25th Anniversary Celebration on October 23-24, 2010. Find out more at: www.opana.org.
3. **MAPAN (Manitoba):** Held their 26th Conference on October 15, 2010. Regular educational workshops are constantly being planned. Contact info@napanc.org for further information.
4. **PANNB/PEI: (New Brunswick/Prince Edward Island):** Held their conference on September 25, 2010 in Fredericton, New Brunswick.

What’s New at NAPANc:

1. **Certification:** We can still accept applications from experienced PeriAnesthesia Nurses in areas of clinical practice (frontline nurses), administration, education and research to volunteer their help, from all jurisdictions across the country who would be interested in **writing competencies, writing examination questions, writing the study guide!** Work begins in the fall of 2011. Please contact us to assist with the development of the Certification Examination: info@napanc.org.
2. **National (NAPANc) Conferences: October 2, 2011:** Toronto, Ontario
October 18-21, 2012: Dartmouth, Nova Scotia
3. **NAPANc Standards for Practice:** The NAPANc Standards Committee has been busy revising and adding to these standards over the past year. Please watch for the announcement when the next edition of these Standards is ready to be purchased: **2011.** Watch our website: www.napanc.org.
4. **Quarterly newsletters:** The “Eye Opener” is distributed to all of its members by email. Please be sure to submit your email address to your association’s President or Director of Membership since this newsletter will be forwarded to you by email. *All members of provincial perianesthesia nursing associations are automatically members of NAPANc.*
5. **NAPANc Website:** Please don’t hesitate to join us in our “Forum” discussions. This is an interactive area for conversations regarding issues in the workplace for PeriAnesthesia Nurses. Look at www.napanc.org for ongoing updated information. You can also request to be notified of changes to this website, but registering with “Change Detection”.

What’s New Across the Country:

1. **QPANA (Quebec):** Is busy preparing for their upcoming conference on May 18, 2011 in Montreal, Quebec. See www.napanc.org (Upcoming Events) or www.aipaq.org for more information. I’ll be there, and I hope to see you there as well!
2. **OPANA (Ontario):** Is busy preparing to host the next and 10th National Conference in Toronto, Ontario on October 2, 2011. To be held in conjunction with the International Conference. Find out more at: www.opana.org.
3. **PANBC (British Columbia):** With hard work and perseverance, PANBC is back up and operational again. Visit their website: www.panbc.net for further information.

If you would be interested in becoming more involved with your provincial association or with us here at NAPANc, please don’t hesitate to contact me by email at info@napanc.org.

Thank you for joining us again!

Your faithful supporter of PeriAnesthesia Nursing,

Paula Ferguson, RN, BScN, MN,

ASK NAPANC?

Hi all

Wishing everyone a Happy New Years from BC.

I have a quick question for everyone.

We have just updated our PACU Discharge Criteria.

My question to you is: Do you include Surgical Specific Discharge Criteria in your general Discharge Criteria document?

I would really appreciate your opinions and knowledge on what the other provinces are doing?

Thanks so much for your time

Lorna Jensen, PANBC President

darren6@telus.net

Subject: Pre-Admission Clinic Questions

Could you please help out, if possible?

Does anyone have an ASA based screening tool in use in Pre-Admission Clinic (not just the ASA guidelines)?

Does anyone use telephone interviews in Pre-Admission Clinic, if so what criteria must the patient meet to be eligible for telephone screening?

Does your OR booking package (completed by Surgeon) include any type of scoring system to identify ASA status, need for medical Consult, eligibility for telephone screening by the PAC nurse?

Thanks,

Daphne Whalen-Brake MN, RN

daphne.whalenbrake@easternhealth.ca

THE ASSOCIATION OF NOVA SCOTIA PERIANESTHESIA NURSES

The Association of Nova Scotia PeriAnesthesia Nurses (ANSPAN) currently has 57 members registered for the 2010 – 2011 year including affiliate members from Newfoundland. In an effort to increase awareness and membership a notice has been put in the CRNNS (College Registered Nurses of Nova Scotia) Newsletter as well as on their website. We have also developed an information letter and questionnaire which has been emailed to hospitals in Nova Scotia as well as to our affiliate members in Newfoundland. Attendance at our meetings has already increased 100% possibly due to starting every meeting with an education session.

Meetings were held: September 20, 2010 – An informative presentation was given by Glenn Bourque RRT who spoke on Airway Management in the PACU, the ACLS component.
November 15, 2011- Guest speaker was Lynn Langille APS CNE
Pain Management who spoke on Opioid Tolerant Patients: The Final Frontier! /The Beginning.

The next meeting date is set for February 07, 2011.

The date for our 6th Annual General Meeting and Education Day is set for May 14th 2011 in Halifax, NS.

Plans are under way to host the 2012 NAPANc Conference. October 2012 was chosen as we felt May 2011 was too soon after an International Conference and we were concerned over a lower attendance. After careful consideration the Holiday Inn Harbourview, Dartmouth with its spectacular views of Halifax Harbour and just a five minute ferry ride to downtown Halifax was selected as the venue of choice for the conference with the dates being October 18-21, 2012 for meetings and conference. This is the same venue as in 2006. We will be signing the contract and paying the deposit in the next couple of weeks. The hotel was quite excited to have us return. Marion Power and I will co-chair the event. We have not yet decided on a theme. We have lots of work to look forward to in the coming months.

Respectfully submitted,

Maureen Landry – President ANSPAN

Standards Committee Report

Thanks to Marion Power, Co-Chair for her leadership this past 3 months as she carried on with the Standards Committee workload. Thanks to all of the Committee Members for their perseverance and hard work to continue to review the various resources and Standards to date. Currently we are reviewing Resource 2a and 2b.

Other resources that need to be written as per the membership request:

- Discharge following spinal anesthesia
- ICU Overflow
- Normothermia

Secretaries

Without doubt, we are most fortunate to have Laurel Archer and Colleen Archbold to assist us with this very heavy workload.

Meetings:

Standards Committee: Oct. 5, Oct. 19,
Nov. 9, Nov. 22

Pediatric Sub-Committee; Sept. 28, Nov. 30

Standards Committee will meet January 11

Pediatric Sub-Committee will meet Jan.

25.

Number of Publications

English: 53 left – (reported 64 left in Sept.)

French: 146 left

Second Editions

The Board of Directors has directed the Standards Committee to prepare a Second Edition of Standards for Practice for print and release in October 2011.

This is all a volunteer effort and I want to express my thanks at this time for all those who have contributed so much time, effort and expertise towards the revision and writing of Standards and Resources.

Laura Van Loon and Marion Power

Co-Chairs

Standards Committee, NAPANc

PANA**Provincial Report PANAnac**

Efforts are being focused to keep the momentum moving forward, we have many new members and we need to keep them engaged in the group

The AGM has been moved from January to Feb 12th to coincide with National PeriAnesthesia Nurses Week. This year we have arranged a mini symposium with 4 excellent speakers and a lunch. We are charging members for the cost of lunch and non members will find that at \$50 it would be cheaper to join PANAnac if they want to attend. Membership + lunch a bargain at \$35

The plan for the coming year is:

- Explore some joint activities both educational and social with our sister organization in the south of our beautiful province
- Continue to expand membership

The membership are excited about the International conference and we are working hard to ensure a large Alberta presence

Respectfully submitted by

Angela Winter

President

QPANA 18th Annual Conference – 18^e conférence annuelle de l’AIPAQ:

The QPANA executive members have been working hard in the organization of the 18th Annual Conference. Its theme is “Heading to the future” to reflect the celebration of QPANA’s 20th anniversary. It will be in Montreal, on May 7, 2011. QPANA would like to extend the invitation to all the colleagues across the country to attend this annual educational and celebration event. More information is on the web site of QPANA (www.qpana.org or www.aipaq.org) in the section “Conferences”

Les membres exécutifs de l’AIPAQ sont entrain de travailler assidûment dans l’organisation de la 18^e conférence annuelle. Son thème est “Progressions vers l’avenir” pour refléter la célébration du 20^e anniversaire de l’AIPAQ. Elle sera à Montréal, le 7 mai 2011. L’AIPAQ invite tous nos collègues à travers le pays d’assister à cet événement annuel éducatif et de célébration. De plus amples renseignements sont disponibles sur le site web de l’AIPAQ (www.aipaq.org ou www.qpana.org) dans la section “Conférences”

Présidente et Représentante nationale de l’AIPAQ

PANA SAC REPORT FOR JANUARY 2011

Hello everyone. We are alive and well out here in southern Alberta. We have not held a meeting since conference was held in May. The process to change that is in the works as I write this. I am attempting to set up a meeting mid to late February to be held at Mount Royal University which will allow those interested to find out about there simulation model used to teach nursing students. The thought is to have something interesting to draw the members and then to have the AGM. At this meeting the future of PANA SAC will be discussed as the present executive would all liked to be preplaced from their positions. The process of planning this meeting is taking longer than I had anticipated and therefore I have not had any minutes from AGM to pass on to NAPAN board, or any progress from PANA SAC as well.

When things change I will forward the results to national as soon as I can.
Thank you for the ongoing support.

Lynn Buchanan
PANA SAC

PANGS

PeriAnesthesia Nurses Group of Saskatchewan
2010 Annual General Meeting
Wascana Rehab. Center, Regina, Sask.
September 25, 2010

New Business: SRNA Designation

- 2008 approached SRNA Registrar to have Peri-Anesthesia Nursing added to registration renewal. In 2010, it was accepted but has not appeared as a separate entity
- Hope to see as Peri-Anesthesia Nursing cover all areas where patients are recovered from anesthesia

Certification

- Paula Ferguson
 - 44 member of NAPANc agreed to assist in writing competency and exam prep
- Need \$40,000 to cover expenses
- Currently fundraising for this – can take back to work places for fund raising
- Motion that PANGS donate \$1000 for the certification process for use by NAPANc – motion presented by Carol Poncelet; seconded by Monica Sedgewick; no discussion, carried

Introduction of Kathy Jellow as President-Elect

PANBC Newsletter Jan 2011

PANBC is off to a great start this year. It is new association that is a rebirth from an old association that had disaffiliated. In February 2010, we are proud to announce the rebirth of PANBC. It has new members and a new Executive. It is looking at a bright new future. The membership is growing and the awareness is out there. The support from our British Columbian PeriAnesthesia nurses has been incredible. PANBC started off with a bunch of hard working PeriAnesthesia nurses wondering how to proceed. The decision was to take baby steps. So, little by little, we got all the legal work done, a website created and have an Educational day planned. We had a leadership team that was working really well together. Thanks to NAPANc's influence, we proceeded with an Election in November and PANBC is now proud to announce that we have an official Executive. We would like to Announce and Thank:

- ❖ Lorna Jensen as President
- ❖ Peggy Lee as Secretary
- ❖ Solrun Chong as Treasurer/ Registrar
- ❖ Christine Jerrett as Regional Chair

It has been a very exciting and busy year in review. We had a very exciting and informative Educational day in Nov 2010 and look forward to the next one in October 2011. PANBC is excited about its future and invites everyone to visit them on their website at www.panbc.net PANBC is looking forward to Networking with everyone. Our Mission is to connect PeriAnesthesia nurses throughout British Columbia by serving as a resource and by promoting excellence in PeriAnesthesia nursing through education, dialogue, research and standards of practice.

Thanks PANBC

OPANA

Greetings from OPANA. We are just rallying back from a very busy time post our 25th Anniversary Conference. It was a successful conference with over 130 registrants on Saturday attending and just under a 100 registrants on the Sunday. Our evaluations were very positive. Thanks to the hard work of the committee members who without a doubt helped make this happen! It was a great celebration.

The real excitement was at the end of the conference when we were packing up our cars and my trunk was stuffed full of conference signage, papers and more. While returning the hotel trolley to the main lobby my car was broken into and my work knapsack was taken. I was heartsick as important documents were in the bag and a small amount of petty cash. Luckily none of the actual monies from the conference were taken as I had placed the till in a

box in another section of the trunk. Amazingly enough 24 hours later an email was sent to me by a Good Samaritan stated they had found my black bag. From a business card he contacted me and left my bag in a church within a one block radius of the hotel where we hosted the 25th Anniversary conference. He thought the church was a safe place. All contents were returned except for a chapters gift card for one of our guest speakers who returned it back to us and a small amount of petty cash – all else was there including the documents. I was incredibly grateful and it is good to know there are good people amongst us.

Plans are underway for hosting the next NAPANc conference on October 2nd, 2011 in Toronto. Conference Co-chairs are Ramona Hackett and yours truly. The planning committee has met a few times over conference calls and we will be meeting

every month to stay on top of our plans. Half of the program has been selected and speakers secured. We still need to come up with a name for our conference and that will be one area of focus come our next meeting in January.

Present membership for OPANA remains at 344. OPANA plans to send our next cheque for dues to NAPANc. BODS of directors approved officially are Carol Deriet for Treasurer, Nancy Poole as Director of Membership and Keitha Kirkham for Ottawa Regional Director.

Respectfully submitted,

Marianne Kampf
OPANA President

VACANCIES & NOMINATIONS FOR NAPANc

NAPANc is currently accepting nominations for three Executive Committee positions:

President-Elect
Secretary-Elect
Treasurer-Elect
Chairpersons:
Fundraising & Standards

Please review the job descriptions by going to www.napanc.org <<http://www.napanc.org>> & clicking on the Quick Links or under Membership.

NAPANc currently needs 2-4 members on the Nominations Committee.

The nomination forms are on the www.napanc.org website & are included with this newsletter.

Any questions for the Nominating Chair will be answered within 48 hours.

You can phone Laura Van Loon at (306) 931-6790 and leave your message

PeriAnesthesia Nurses of New Brunswick & PEI**PANNB/PEI**

Happy New Year to everyone across Canada from your New Brunswick and Prince Edward Island colleagues. Trusting that everyone one had blessed and peaceful holidays, with their family.

With the commencement of the New Year we are preparing registration for 2011; our goal is to renew registration of present members and increase our numbers by reaching Perianesthesia nurses that have not been previously registered. If each member could recruit one nurse we would double our numbers, perhaps this could be one of our New Year's resolutions, it's never too late.

Our education coordinators along with the nurses from Moncton are brainstorming for our annual education day in September.

I encourage everyone to give serious consideration to attending the National and International conference in Toronto in October. This is

the time to start fundraising if necessary.

In keeping with the practice of caring by health professionals, Bathurst, PeriAnesthesia nurses along with doctors, support staff and operating room nurses did a two week canvas {amongst themselves} for the homeless shelter which resulted in five boxes of items from their wish list and monetary donation of \$170.00. The PeriAnesthesia nurses at the St. John Regional hospital also were community minded this season, making socks filled with personal items for the local centre; helping out a co-worker experiencing a family medical issue and a young patient and family with Christmas.

Wishing you all the best in 2011

Respectfully submitted

Laura McNulty

President PANNB/PEI

REMINDER:

Join your provincial organizations & automatically you become a member of NAPANc.

Volunteer: every organization needs your help. Each organization needs help, strength in numbers

Remember what NAPANc means:

"Open your eyes" in Cree.

How Canadian is that for PeriAnesthesia Nurses!!!

Also, you can place your advertisement for non-time sensitive job postings, or conferences/workshops.

NAPANc is affiliated with the Canadian Nurses Association (CNA)

National Association of PeriAnesthesia Nurses of Canada

Fund Raising Committee Report

The Heart of NAPANc is its VOLUNTEERS!

Volunteers are the administrative, financial, working backbone of NAPANc. Our dedicated perianesthesia nursing colleagues from every province and territory have helped to create and grow our National Association of PeriAnesthesia Nurses of Canada. Since the signatures of 27 Founding Members in Calgary in 2002, members have

- written the Constitution and By-Laws,;
- written and released the First English and French Standards For Practice under the leadership of Melanie Connors;
- increased our membership through the establishment of additional perianesthesia associations in Saskatchewan, British Columbia, New Brunswick/Prince Edward Island, and Nova Scotia;
- gained representative members in the territories and Newfoundland/Labrador;
- provided a website for promotion and communication;
- applied for Charitable Status with Revenue Canada;
- commenced Certification processes with the Canadian Nurse Association;
- agreed to host the FIRST INTERNATIONAL PERIANESTHESIA CONFERENCE, TORONTO, ON, OCT. 2-5 2011 with our own President of NAPANc as Co-Chair of this huge undertaking.
- Contributed to the Anesthesia Assistant Curriculum, along with the Canadian Anesthesiologists' Society, CNA, ACUDA and ARTO

All this work completed by our volunteers.

Fundraising contributions have come from membership fees, 25% profit from annual conferences, sales of our NAPANc pins, sales of English and French Standards for Practice, and donations from provincial perianesthesia associations and individual members.

In October, the Government of Canada received our draft and then the final corrections for our application for a charitable number. We await their decision.

At this time, we are in the beginning stages of seeking financial help for our NAPANc volunteer certification examiners and writers to attend compulsory meetings in three areas of Canada. At the Board of Directors meeting in May 2010, we started a fund raising campaign at the Board table. Donations are accepted and we will acknowledge all contributions on Certification documents and Study Guides, and create a means for identifying contributors in the Eye Opener, on our website and at our Annual Meetings.

NAPANc would like to thank the following
Donors for Certification of PeriAnesthesia Nurses of Canada
who allowed their names to be published for their generous contributions

Most Recent Donations, October, 2010:

PeriAnesthetic Nurses Group of Saskatchewan (PANGS)

PeriAnesthetic Nurses of New Brunswick and Prince Edward Island (PANNB/PEI)

Previous Donations:

Paula Ferguson

Marianne Kampf

Maureen Landry

PeriAnesthesia Nurses from the Health Science Centre, St. John's, Newfoundland

Shelley Pierson

Jean Spotowski

Laura Van Loon

Updated as of October 7, 2010

The form for our fundraising campaign is on the website at www.napanc.org . Names are printed on the Website and in our on-line newsletter, Eye-Opener with the donors permission.

We have talked about our own NAPANc credit card that will bring in benefits.

Another idea is for members to trade in their Air Miles and get Shell gas vouchers or a hotel room for our certification members to use to attend a meeting.

We will continue to accept donations towards the printing of the Second Edition of both English and French Standards for Practice. Names of donors will be included on the covers of the editions to be released in the fall of 2011. See the website www.napanc.org for the donation form. Names are printed with permission of the donor.

Send in your ideas and suggestions to the Fundraising Chair! Or better yet, become a member of the Fundraising Committee!

Keep tuned!
